FOCUS Grade 4/5

----- Disclaimer -----

We've analysed past exam trends to create this highly targeted Foundation revision paper. Because it is specifically built to help you secure a Grade 4 or 5 on the Foundation Tier, we have focused entirely on the core topics you need to pass. This lets you focus your energy on the marks that matter most for your target grade.

A Word of Warning: Despite what you might see on TikTok or Instagram, it is impossible to perfectly predict an exam paper. When people claim they can, they are usually just trying to sell you something. Use this paper to test your knowledge and build confidence, but remember there are no guarantees. Thorough revision across all topics is always your best strategy.

The best way to prepare for the exams is to revise all topics
